Hello Allwin,

Welcome to your Intimate Lover interpretation, please check that the birth details are correct.

This explicit and honest look at an individual's sensuality and their capacity to indulge their sexual fantasies is based on interpretations of the planets and the relationships they form within your horoscope.

The interpretation of the Sun's position signifies what making loves means to you. The Moon's position indicates the way you 'perform' each time you make love. Mercury tells us your thoughts and self-expression when making love. Venus determines what you value and need most in your lovemaking. Mars helps you understand the driving force of your sexuality. Jupiter indicates your capacity and desire for lovemaking. Saturn lets you know where you feel most awkward or inhibited. The other planets Uranus, Neptune and Pluto signify generational aspirations.

The interactions between the planets within your birth chart are called 'Aspects'. These are given a Star Rating from one to five to show their relative importance in your Intimate Lover Profile. To the right of each pair of 'aspect' symbols is a group of five stars ★☆☆☆☆; the more dark stars there are the stronger the connection. The keys to the planets, the other symbols and terms used are given at the back of the report.

Intimate Lover Interpretation

Your birth chart shows the exact positions of the planets at your time of birth. It also tells you the sign of the Zodiac that was rising at your time of birth, known as your 'ascendant', which indicates your style of lovemaking. How the planetary positions of your birth chart relate to each other are interpreted on the following pages outlining your potential sexual development. The interpretation begins with your overall sexual nature and temperament.

Allwin's sexual nature

Allwin's thoughtfulness

You're often animated, have a lot of ideas and intellectual ability. You need freedom to move, communicate and occupy yourself with various topics. Your mental approach to life can also make you rather dry and, even though you're naturally witty, you should be aware of the fact that you can't substitute or understand emotions and feelings by simply using your intellect. While possessing a lively and entreating nature you can also be a little 'light' and superficial at times.

Allwin's emotions

You are an emotional person, sometimes sensitive to the feelings around you, which may result in a turbulent and unstable disposition. You are passive and must be pushed to action, often due to lack of self-esteem. You can also be attracted to people's weaknesses rather than their strengths - for better and for worse. From time to time your feelings turn inward and you become difficult to connect with.

Allwin's dependability

You may easily lose stability and balance in your sex life. You have difficulty in getting things to function in a practical sense, not finding it easy to get solid results for your efforts. You also display a tendency to neglect your physical needs and should put your nourishment, relaxation and warmth in order.

Allwin's energy level

You often suffer from lack of enthusiasm and interest in your lovemaking and need inspiration. You can easily get confused and need greater optimism, drive and assertiveness. Fundamental inner passion is something you find difficult to feel.

Allwin's sexual temperament

Allwin is fair and even handed

Your sense of inventiveness, passion, and sensitivity combine well to help you cope and understand the ever-changing demands of sexual experiences.

AS

Rising Sign

Allwin's love-making style

How others see you - the first impression you give.

AS in 

Stylish

The way you approach sex is what turns you on and you insist on doing it in a stylish way. You can be highly critical of the attractiveness and refinement of your lover and also need to be sure that you fully understand what makes them tick as well as being satisfied with their physical attributes.

AS   ★☆☆☆☆

Natural

Your manner is so effortless it seems you're totally in command of all you do. You have a good sense of timing and are able to make the first move with consummate ease and assurance or, if required, you could just as easily wait for a more appropriate moment to arrive.

AS   ♀ ★☆☆☆☆

Noticeable

Physically eye-catching, you're able to use your looks to best advantage; you love your own body - and let every one know it! You have an effective, sensuous touch that not only draws a lover to you, but which simultaneously enflames passion.

AS   ♂ ★★☆☆☆

Out of control

Things can be a bit frustrating can't they? Try a more sympathetic approach, in a much more relaxed and peaceful manner; otherwise you're liable to get an over- anxious, untimely response. Learn to take it easy.

The Sun

What making love means to Allwin

How you express yourself as an individual.

Experimental

You are an easygoing lover, careful and often skilled in sexual technique, knowing how best to behave. A good partygoer, you are usually willing to try anything that is new and exciting, an experimenter who likes to compare and assess their lovers. You rarely expose your inner passions and then only to your most intimate partner. You can't bear to be crowded and will defend your right for freedom, although you are loyal and sympathetic to your partner once close. Through sex you come to a better understanding of life.

5th house

Where you express yourself freely and without inhibition.

Uncomplicated

You're free from any sexual hang-ups and making love for you is a natural expression, a means to communicate your creativity in a most enjoyable way. Your lover should be as free a spirit as you are, because sex will always be a source of pleasure and delight to you.

Comforting

You need affection, reassurance and extra caresses from your lover. You'd do well to avoid the more critical, disapproving type of partner who would make your lovemaking feel just like a duty, or a competition.

Brain teaser

You have a compelling inner drive and way of thinking that makes your feelings and motivations more easily understood. Sex is intellectual entertainment as well as a pleasurable experience for you.

Practice makes perfect

Too much - or not enough? Sometimes overwhelming your lover - sometimes leaving them wanting more. It's difficult for you to get your lovemaking just right; but practice can lead to perfection!

Too hot to handle

You're an impetuous, erratic love-maker who seeks new and original themes for sex that sometimes verge on the extreme. It's essential that there's a steadying hand within the partnership to take a firm grip of the situation so that positive experiments may ensue.

Spell binding

You are not easily shaken; confidence exudes from a deep well of self-sufficiency that can take charge when necessary. Even if situations get out of control you're able to come up with the required solution often as not.

Capable

You are not easily shaken; confidence exudes from a deep well of self-sufficiency that can take charge when necessary. Even if situations get out of control you're able to come up with the required solution often as not.

The Moon

The way you 'perform' when you make love

Your immediate reactions; your emotional and compassionate nature.

Sensitivity

Able to hide your sensitivity, you give the impression of being tough emotionally but really what you want is tenderness and security. As a lover you will try to envelope your partner, wishing to dissolve in the emotions of love. You are extremely sensitive and it hurts deeply whenever anyone is critical of you. You have an almost desperate need to be loved and needed by everyone with whom you come into contact, and you go out of your way to accommodate them. A one-person lover, once committed, it's total involvement all the way.

9th house

Your depth of understanding; your more intuitive faculties.

Adventurous

Eternally searching for new horizons to explore, you respond best to a lover who is as adventurous as you are. Every new experience you have together will enrich your level of sexual satisfaction and fuel your fantasies even more.

Full of life

You are energetic; full of life and vitality. When it comes to sex you can be a real go-getter. Easily aroused, you make love at a pace that has little thought for the consequences.

Unnecessary excess

You're prone to overreactions that lead to too much (or not enough) sex. It's important for you to understand when it's the right time for love - and also when it's the right time to stop. You can sometimes be a bit overwhelming for your partner; so if you're in doubt: ask.

☾ □ ♃ ★★★★★

Hesitant

Self-conscious, anxious, and sometimes apprehensive, you can miss out on opportunities unnecessarily. A helpful, patient lover who can reveal and help satisfy your repressed longings will improve things greatly.

♀

Mercury

Allwin's thoughts and self expression when making love

Communication skills; how you think and receive information from others.

♀ in ♋

Perceptive

You are a sensitive lover, responding to subtle hints and innuendoes. You are good at understanding body language but may find it difficult to put your own desires into words. When the moment is right, and only then, you are able to seize the excitement of the moment with impending passion that is beyond compare.

♀ in 5th House

Pleasure seeker

When it comes to sex you're both good natured and warm hearted. Such a youthful approach makes your lover feel at ease. Pleasure is at the forefront of your mind, always teasing and laughing because sex is primarily a source of fun for you.

♀ ♀♂♂ ★★☆☆☆

Turn-on

You're a high-speed, self-assured thinker who can easily turn fantasy into reality. You'll find words, and the manner of verbal communication, can be a real turn-on, allowing your body and lips to work in harmony.

♀ □ ♃ ★★★★★

Shocker

You're confrontational and like to argue. In bed you're prone to moments that can startle and you could well be missing out through bad timing or giving the wrong body signals.

♀ △ ♀ ★☆☆☆☆

Confident

You act out your fantasies well; carefully and expertly interweaving reality with the vision, thus ensuring the high point is reached confidently and without risk.

Venus

What you value and need most

How you express your emotions within personal relationships.

High flyer

You are more likely than not to like sexual experimentation but can be a little cold, treating sex like a scientific experiment, with your desire springing from the mind rather than the body. You like lots of variety and therefore can appear to be more liberal than you really are. You're a great partygoer and enjoy swapping partners.

4th house

Deep inner feelings and habits.

Venus in 4th House

All surrounding

For you mirrors are a must, because they supply safe and secure erotic feedback, leading to instant stimulation. Intimacy set in familiar, safe surroundings is the most important requirement for lovemaking's private embrace and your overriding need to feel secure is paramount.

Insatiable

You hunger for more, take part regardless and have an 'anything goes' attitude. You're very positive about sex, know what is acceptable and enjoy it whenever possible.

Determined

You have a concentrated, unwavering longing that is difficult to satisfy; a craving for sex that never declines but which, instead, gradually aches and yearns on and on.

Mars

The driving force of Allwin's sexuality

Your sex drive, stamina and the way you assert yourself and express your desires.

Yielding

You are sexually very adaptable but in a very subtle way. You need to be brought out of yourself, to appreciate the extent of your abilities, which are far ranging. You are capable of great extremes in your lovemaking, from giving pleasure to submissiveness. In so doing you are able to relay degrees of vibrations associated with 'being able to touch someone's soul' through your sexual energy. You are capable of great love and devotion but to enjoy this sexually, it needs to be expressed in reality with your lover rather than living with it only in the dream world of your senses.

♂ in 5th House

Jolly romp

Given half a chance you'll rush enthusiastically into an affair looking for fun and enjoyment because sex is a stimulating game to you, a workout to be relished. No fuss thank you very much, you like to do what comes naturally, without being held back, so that your energies can flow.

♂ □ ♃ ★☆☆☆☆

Considerate

A cavalier manner in your approach to sex may lead to upset because of your tendency to make sudden slapdash moves. Try to please your lover in a more tender and reasonable way.

♃

Jupiter

Allwin's capacity and desire for love-making

Your sense of fun, optimism and generosity and what you believe in most.

♃ in ♎

Lithe

You will seek sexual partners who can help you broaden your sexual outlook and experience in some way. When making love, continuous action and movement will be demanded and is essential for your lovemaking, especially when you are always thinking whilst moving, with total grace and suppleness, perhaps accompanied by rapturous music with a varying beat. For you this will be the test of a creative love affair, although you're likely to leave your partner rather breathless.

12th house

Forces that are beyond your control; a higher power or ideal.

♃ in 12th House

Initiating

You are a person who excels in developing that which was previously unused by yourself and your love. Untapped areas of pleasure can be revealed behind closed doors, releasing rapturous feelings of innermost ecstasy, elation and joy.

♃ ♀ ♃ ★★★★★

Sound opinions

You're able to evaluate the state of affairs, enabling long-term development of relationships to their fullest - without breaking any of the rules.

♄

Saturn

Awkwardness or inhibitions

Your sense of responsibility and lessons you have to learn.

♄ in ♌

Insecure

You can be very reserved and shy, but once you make a commitment to someone the partnership is forever. A deep feeling of insecurity in relationships may cause you to avoid issues or conflicts that you feel will upset conditions of harmony. Ultimately you will have to learn how to handle responsibility in relationships, without giving up too much of your own individuality and sense of purpose.

♄ in 12th House

Hidden pleasures

On the surface at least, relationships are all too easy for you and you abandon all the risks. But you really should be less tentative about revealing the depths of your innermost desires because they must, ultimately, be exposed and taken in hand for your ultimate pleasure and satisfaction.

♅

Uranus

Inventiveness and spontaneity

Your imagination, initiative and ingenuity.

♅ in ♍

Enlightened

Explores the mysterious depths of sexuality and is able to experiment without fear of consequences. Honestly confronting your inner feelings will be an enlightening and rewarding experience.

2nd house

What you value most.

♅ in 2nd House

Uniquely odd

You're unusually attached to bizarre possessions, surroundings and fetish styles that can excite and spur you on to heights of ecstasy. Sometimes your buried urges erupt spontaneously leading to unwise over-indulgence. Whatever is most meaningful for you should be explained to your partner.

Neptune

Dreams, fantasies and imagination

Reveals your inner ideals, expectations and creativity.

Reality check

Your opinions about what is an ideal relationship may be clouded. You imagine it should be straightforward and uncomplicated. Rather than expect others to automatically fit your norm, seek those who actually do.

3rd house

Your relationship with those close to you.

in 3rd House

Vivid imagination

You see the sex scene clearly in your mind's eye, but try as you might, find it difficult if not impossible to put it into words. Don't try so hard, go with the flow, talk about it afterwards, be guided in silence by your lover who inspires such great passion - you don't need to explain or discuss the outcome of lovemaking before the main event!

Certainty

An unrelenting inner energy stimulates fantasy from one phase to the next. Satisfaction is not in the act itself, but in powerful belief.

Pluto

Unconscious depths and intensity

What motivates you.

in Libra

Transformer

You are part of a generation unable to accept things as they are. Intent on improving the equality between the sexes, you will not be content until changes are brought about - regardless of the upheaval that this entails.

1st house

Your sense of self-identity.

in 1st House

Dominance

You like to be in control and take the lead in sexual themes, preferring a partner who takes a submissive role. These roles may better be played out in a lighthearted, playful fashion rather than a literal fight over who should be boss.

MC

The Midheaven

Preconceived ideas about Allwin's sexuality

What you can achieve.

MC in 69

Reserved

It's understood that you are reserved and need space for yourself, which makes it easy for you to unexpectedly use this as an excuse to end relationships, when actually a more honest show of your true feelings is required, then you can always retreat into your shell without losing face.
