Star Lovers

This report is designed exclusively for love relationships. The interpretation for Allwin and Angelina uses a technique called 'Synastry' which is the branch of astrology dealing with relationships.

It should be pointed out that even the most unlikely love relationship can be made to work if both parties are prepared to put in the effort required. However, there are almost always some adjustments and compromises to be made in any relationship where there are two separate individuals with wills and personalities of their own.

Analysing a relationship between two people is a complex business. A good analogy to this type of astrological analysis is the way you view a statue. Looking at a statue from the front gives you an idea of what it looks like from a single dimension. It is only by walking around it and viewing it from various points that you begin to see it as a multi-dimensional creation, and start to understand more about its total composition. And so it is with the astrological analysis of a partnership.

This Star Lovers report is divided into two distinct sections, each one examining the relationship from a different vantage point:

Part One - Relationship Potential

This section provides overviews of both Allwin and Angelina. It examines your relationship potential as individuals, and investigates what each of you needs and expects from a partnership, as well as from a romantic and sexual relationship.

Part Two - Relationship Compatibility

This section looks at how each of you perceives and experiences the other, examining the strengths and weaknesses of the relationship and pinpointing potential problems.

Each connection is given a Star Rating from one to five to show their relative importance. To the right of each pair of symbols, denoting the connection, is a group of five stars ★☆☆☆☆, the more dark stars there are the more important the connection. The keys for the planets and the other symbols and terms used are given at the back of the report.

Part 1 - Allwin's Relationship Potential

An astrological chart is divided into 12 'houses' each of which represents a different sphere of human life. The 5th, 7th, and 8th houses are concerned with relationship potential. Although these houses also have other meanings, here they are defined and interpreted as Allwin's love relationships (5th), Allwin's partnerships (7th) and Allwin's sexual relationships (8th).

Allwin's Love Relationships

The 5th house describes romance and courtship: the qualities you seek in a lover and in a love relationship. You may be attracted to different types of lovers who possess one or more of these qualities, but you are most likely to find true happiness with the one person who combines most or all of them.

5th House Cusp

Dr. Strangelove

Original, inventive, unconventional and exciting both in and out of the boudoir, you make a fascinating and stimulating lover. A meeting of minds and exchange of ideas is as important to as a meeting of bodies and an exchange of fluids. In fact, unless there is a lively intellectual rapport between you and your lover, the passion will soon to dry up.

You enjoy romance and the social whirl too much to give your heart away easily, if at all, regardless of your eloquent and romantic pillow talk. Drawn to the unusual, perverse and even the downright scandalous, you may entertain attachments with brilliant, strange and even rebellious individuals such as anarchists, revolutionaries and undiscovered geniuses. Life is never dull when you're around.

Romances may enter your life suddenly, or you may attract unusual or creative lovers. You have the ability to be objective about your love affairs, and you should have no difficulty expressing your individuality in that area.

Dream lover

Your seductive charm and insatiable lust belie your great sensitivity and sentimentality. It is this combination that makes you such a prized lover. However, the two are seldom in balance and therefore your love affairs, like your passion, are one of extremes.

Your tendency to idealise and fantasise can prevent you from seeing a lover as they really are and you need to avoid abusive relationships which spiral out of control. Because your love and desire recognise no boundaries and brook no limitations your appetite and longing for an elusive ideal love could get you into some very sticky situations. Nevertheless, you wouldn't have in any other way and besides, deep down you know love unites us all and you long to lose yourself in another.

You are looking for someone with whom to share a tender, emotional involvement, but there is the possibility of attracting people who will take advantage of you. Use your good intuition and be selective in your choice of lovers.

5th House Ruler ♃ in 2nd House

The price of love

Your romantic life and ability to express your feelings of love and affection are intimately connected with your feelings of self-worth and self-esteem. It is important for you that your lovers share your values but you need to guard against being too superficial and the tendency to treat your lovers as possessions, or trophies.

Since your lovers will have the potential to greatly influence your emotional and financial security, these areas of your life should be given special consideration since they can reflect the healthiness of a particular romance.

There will be a definite connection between your feelings of self-worth and your romantic status, or you may try to place your own values upon your lover. You may also maintain integrity by treating on dates, or occasionally sharing expenses.

Living for love

Spontaneous, emotional and very affectionate, the importance of a happy and healthy love life is vital to you. While you will do anything for love, without romance in your life you may have trouble getting out of bed in the morning or finding the motivation to deal with the humdrum of daily life. For you, life without romance is like life without sunshine.

Ardent and playful, you're a proud, energetic performer both in and out of the bedroom and you can be spontaneous and theatrical. You like strong, wilful lovers and take an inordinate amount of pride in your conquests. People are attracted by your sunny disposition but you'd be naïve to believe everyone is as kind hearted and generous as you.

Your ego gratification may be closely connected with love relationships and you take successes and failures very personally. If, however, you share both the triumphs and the blame with your lover, you will be much less pressured in this area.

♀ in 5th House

Pillow talk

Clever and witty, you need a lover who stimulates your mind as well as your erogenous zones. When it comes to the art of romance, your ability to amuse and bemuse makes your silver tongue a very valuable seductive tool. A sweetheart or young love is likely to have greatly influenced your approach and attitude to love.

Since you've got love on the brain and enjoy flirting so much you may need to be careful not to string too many people along just because you can. For example, you probably enjoy writing love letters just for the hell of it, regardless of the fact you could be launching the recipient on an emotional roller coaster that might be difficult to stop.

Ability to communicate well will be high on your list of requirements for a lover. Or you may look for someone who is clever or witty. In any case, you will either have a good conversationalist or a collection of interesting love letters.

♂ in 5th House

Steamy windows

It's unlikely you'll ever have need for Viagra. For you, love and sex go hand-in-hand. You've an impulsive, even compulsive desire for sensual indulgence and at times you may lack discrimination or foresight and get yourself in hot water. A little too honest or direct for some your desire to get too intimate too soon could blow up in your face and lead to quarrels if you feel you're needs are being thwarted or frustrated.

Physical, vigorous and extremely passionate, you may leave a trail of burnt out lovers unable to satisfy your voracious appetite for human flesh. While you tend to be the initiator and even pushy, you're at your best someone feisty enough to push back, because when the sparks fly the chemistry between you can be really magical.

Action is a keyword in your romances. The form of this action takes depends on just how much excitement you crave.

Allwin's Partnerships

The 7th house describes marital partners and other close, one-to-one relationships. Courtship (5th house) can lead to partnership, but the 7th house assumes a close, constant contact so it is more difficult to escape potential problems. For that reason, they are more fully addressed here.

When Allwin's love affair shifts to a partnership the emphasis of his relationship changes, according to characteristics described by the signs and planets of the 7th house, as well as the position of the house ruler, outlined below.

 7th House Cusp

The iron fist in the velvet glove

Because you are such a smooth operator it may come as a surprise for some people that when it comes to relationships you can be rather pushy, competitive and even aggressive especially when you see someone you want. Your usual approach to the world is by getting your way via charm and persuasion it is only when you are blocked or frustrated that the more dominating side of you comes to the fore, and then you can be quite formidable. This is especially so in your close personal relationships, where the sparks can really fly. You can be a demanding mate, aggressive in your attempts to get your opposite number to compromise and cooperate.

It's as if you'd go to war to create peace and harmony. You can be very hard to please. At the same time you can and often do have a dynamic, energizing and invigorating effect on others and you get on best when working competitively with others towards a shared goal. You are drawn to people who display some characteristics quite the opposite of your own. You like active and go-getting types whose rough edges and coarse manners are often in sharp contrast to your social skill and easy charm. It's almost as if you get your opposite number to play out your own, single-minded and highly competitive side while you follow gracefully behind, smoothing ruffled feathers.

You will be proud of your partner's leadership ability but resentful if all decisions are made for you. Although compromise in this area does not come easily, it is important to periodically assert yourself, try not to be too overbearing.

♃ in 7th House

All or nothing

You give off a dark, mysterious air and defend your right to be very private about your private life. Not surprisingly it can be difficult for someone to really get to know you up close and personal. But when you do let someone into your heart you will stick by them, steadfast like a rock through thick and thin. Therefore it's important that you make the right choice since you will be very reluctant to quit a relationship even when it hits the rocks. You give off a certain magnetic, sexy allure which hints at your deep, dark and passionate nature.

You are drawn to tactile, sensual individuals who can also offer you a sense of security, emotional but also financial. As you will, and often do, go to hell and back for your loved ones, it is important that your opposite number is prepared to be like a port in a storm for you. Problems arise because those very qualities of stability and security you seek in another are also those qualities that are most resistant to change and so when change does come in your relationships, it can be dramatic, traumatic and drastic for that very reason. Since your opposite number is likely to be quite stubborn open and clear communication is important if you're too avoid misunderstandings and getting caught up in a battle of wills which could prove detrimental to your relationship since you will both loath to give way.

Especially since your emotions can be so unfathomable and perplexing at times and it can be hard for you to get your needs met when you often can't express them. It's at such times that the touch of your partner can say more than words and have a healing affect on you. In your life there may be times when you choose to go it alone than get involved at a superficial level. When you do make a commitment it is deep and you need a steady and secure partner who can support you through the slow process of learning to express intimacy and vulnerably and be accepted and loved.

Your partner will be loyal, dependable, and, at least in part, predictable. It's a good idea if the both of you were headed in the same path, there could be a clash of wills. If this occurs, make your arguments sensible; it may even be a draw.

Doing it for love

For you romance and marriage go hand-in-hand and you are more likely to marry for love than for money, ambition or social status. Because of this you may even find yourself in relationships that defy convention or traditional values and expectations.

While it may not be obvious to outsiders, your opposite number has a great affect on your self-confidence and you need someone who lets you be yourself and play. Your partner is also likely to share in your hobbies and creative pursuits. Love and romance are the fuel that fires and inspires you and for the most part your close personal relationships are very loving and happy, even into your old age.

You do not want to be taken for granted in partnerships, a little romance will make you feel appreciated. Creativity is also necessary and you will take pride in a venture shared. This can either be a successful project or your children.

Take it or leave it

While relationships are important to you, they are not the be all and end all for you nor do they occupy as much of your time and energy as they do for some. Your relationships are subject to periodic change and upheaval but your real priorities are often elsewhere. You may find that the responsibilities and commitments of relationships often takes you away from the activities that you find meaningful and so, while you'll put up with occasional disruption in this area of your life, when they eventually settle down you're usually keen to get on with other things.

This does not mean that you will never marry nor have a close one-to-one relationship. In fact, your demands are less complex than most so you won't expect as much of a partner, and it may be easier to get along with yourself.

Allwin's Sexual Relationships

In the context of a relationship, the 8th house can represent shared resources, partner's resources, or sex. Here it is treated solely as the house of sex. The signs and planets in the 8th house and the position of the 8th house ruler are used to determine Allwin's sexual needs and the characteristics of his sexual partners.

Since sexual activity can be an ingredient in both love affairs (5th house) and partnerships (7th house), you must decide which category your relationship belongs in and combine the relevant definitions. If the relationship is purely sexual, you can ignore the 5th and 7th houses.

8th House Cusp

Sexual indulgence

Your natural charm and pleasing, easy-going manner conceal a strong sexual appetite. While you are popular and much sought after, when you meet someone who satisfies your sexual needs you are unlikely to look elsewhere. Deeply sensual and sexually indulgent, you've a slow, sure touch and a direct approach to sexual matters and expressing your needs for intimacy. You feel most comfortable with a sexual partner who is loyal to you or in some other way adds to your sense of security. You can get tremendous satisfaction from sex, but tend to be somewhat cautious in new sexual situations.

in 8th House

Versatile lover

You need change and variety in your sex life and may enjoy discussing different techniques and approaches to sex. You can be quite rational when it comes to fulfilling and meeting your deep desire for sex and intimacy. Because you tend to have an intense and all or nothing approach to life, circumstance may require you develop an intellectual understanding of your dark, primitive side if you're to get a handle on it. Your light touch when it comes to serious matters may give the impression that you have a frivolous and superficial approach to getting your needs met. Ingenuous and versatile in the bedroom, you need mental and physical stimulation. You have excellent timing and when you express yourself sexually, you can be very persuasive.

In sexual matters, you want a variety of experiences or partners. Conversation may be an important part of sexual activity or a device to forestall overly aggressive people. Verbal appreciation of your attributes can be quite stimulating.

8th House Ruler ♀ in 4th House

Sex and psychology

There is a strong likelihood that your attitude towards sex and intimacy will be greatly influenced by one of your parents although you might not be aware of it or how deep and pervasive it may be within you. This may work out as a deep-seated complex in which you over-idealise the parent after which every subsequent partner falls short of your, or your parent's, estimation.

You may choose not to follow in the footsteps of a parent but to live your (sex) life differently from what the expectations of your family and background might suggest. Sex for you can be a great source of comfort and support, often feeling that only by having your flesh and your soul intimately involved with another can you experience real trust and emotional fulfilment.

Your sex life could also be a barometer of your emotional and psychological well-being, and any problems you may have may have psychological foundations. While at the same time a healthy, happy and active sex-life could be the key to your emotional and psychological rejuvenation and well-being.

The psychological aspect of sex seems to be much more important to you than it is for others. Therefore it is important for you to get involved with someone you feel a great emotional attraction with whom you can relate at your level and who wants something more meaningful out of the sexual side of the relationship.

As far as sexual matters are concerned, you'll feel most at home in familiar surroundings and you will want a sexual partner who is tender and caring. Or, you may be motherly and protective of those with whom you are sexually involved.

No Planets in 8th House

There's more to life than sex

While sex is important to you, it is not the big deal, nor does it occupy as much of your time and energy as it does for some. This does not mean your sex life is uneventful it's just that your sexual demands and tastes are probably less peculiar or complex than they are for others.

Your sex life is subject to periodic change and upheaval but your real priorities are often elsewhere. You may find that the pursuit of sexual gratification actually takes you away from those activities that you find meaningful and so, while you'll put up with occasional disruption in this area of your life, when things eventually settle down again you're usually keen to get on with other things.

You are not doomed to a life of celibacy. It is just that your list of requirements in a sexual partner and needs, in sexual activities will be shorter than most, though very likely your enjoyment will be just as great.

Angelina's Love Relationships

The 5th house describes romance and courtship: the qualities you seek in a lover and in a love relationship. You may be attracted to different types of lovers who possess one or more of these qualities, but you are most likely to find true happiness with the one person who combines most or all of them.

 5th House Cusp

The grass is greener on the other side

Your happy-go-lucky approach to life and love and your natural optimism and enthusiasm makes you a much sought after lover. Restless and easily bored, you need variety both in and out of the bedroom and so your natural curiosity can be mistaken for promiscuity. Virtually unshockable, you enjoy romantic adventure and are ever eager to broaden your broad mind.

Therefore you are drawn to relationships with people from different cultures and countries that enrich your life and worldview. However you've a tendency to think the grass is greener on the other side and so there may be times when you need to develop a little more patience and persistence when it comes to love if you're not to regret letting someone special slip through your fingers. Impracticality coupled with your natural generosity towards your lover could get you in a tight spot financially but somehow you always manage to land on your feet, even if you're left with holes in your shoes.

The emphasis in love relationships is on movement. Once something new is experienced and digested, you go on to different situations. Your lover may not always be consistent, but you should be philosophical about it and focus on having fun.

 in 5th House

Serious pleasures

You take your love life seriously and need to be careful not to treat courtship and the sex act like a commercial arrangement or make too many demands too soon and thereby frighten off potential lovers. You can be a real contradiction when it comes to matters of the heart; while you get a perverse pleasure from playing the puritanical vicar in public, in private you can be a very naughty little devil.

While your public persona may deter more overtly sensual individuals (although it's often the reverse!!!), at the same time you risk attracting those who feel their chastity is safe in your hands. Therefore your love life is likely to be a litany of some rather peculiar entanglements. Ideally and eventually, you will find yourself drawn to those who share your quiet dignity while improving your status in the eyes of the world.

You do not take romance lightly and are uncomfortable with those who refuse to commit themselves. You are drawn to serious, dependable people. Your lover may not often take you to amusement parks, but the Stock Exchange can be fun, too!

5th House Ruler ♃ in 8th House

Expressing love, sexually

Fun loving and daring in your approach to intimacy, you enjoy sex and want a partner who can blow your socks clean off. For you love and intimacy go hand in hand and therefore a love affair without sexual intercourse would be like a sandwich with no filling.

Suffice to say; once someone wins your affection you've a strong desire to get up close and personal ASAP. In time, as you look back over your life and your loves, you're likely to find that your romantic involvements precipitated periods of major transformation in your life.

You may equate romance with sexuality and feel that a love relationship without sexual involvement leaves a great deal to be desired. Or perhaps you evaluate your love affairs in terms of their transformational or regenerative effects.

Angelina's Partnerships

The 7th house describes marital partners and other close, one-to-one relationships. Courtship (5th house) can lead to partnership, but the 7th house assumes a close, constant contact so it is more difficult to escape potential problems. For that reason, they are more fully addressed here.

When Angelina's love affair shifts to a partnership the emphasis of her relationship changes, according to characteristics described by the signs and planets of the 7th house, as well as the position of the house ruler, outlined below.

7th House Cusp

No ordinary love

Because you demand a lot from life you also demand a lot from others and when it comes to your close personal relationships you don't want "no ordinary love". You are drawn to individuals who like yourself, have something more to offer the world or at least something different. You may find yourself involved with someone who is a non-conformist, a revolutionary, a genius, an anarchist or a crank. Whoever they are they are unlikely to be ordinary, "run of the mill types". While your sense of pride demands a faithful partner you also want lots of freedom and independence in your close personal relationships.

Unconventional and contrary types are drawn to you because you do have a certain undeniable star quality and charisma about you. At times you have to tread a fine line between maintaining your individuality while keeping a committed and supportive relationship alive. Others may also find that your private persona, up close and personal, is very different to the one you present to the wider world. Your desire for freedom within your relationships also becomes an issue about how you balance your need for emotional security and the risks of greater freedom and independence.

Nevertheless it is important that if you do team up with individuals on the fringes of society, that you are doing it for love and not simply to rebel against traditional expectations about relationships. You are also likely to be unconventional in your approach to partnerships and while you can make a very loyal, faithful, and devoted mate, you would rather walk away from a promising situation if it means that you have to compromise your own self-worth, values or pride. You feel it's possible to be committed without being totally faithful which others may not appreciate.

You may marry someone from a different cultural or religious background than your own; or a person who is a free spirit. You consider your view of relationships to be modern, but here words may truly speak louder than actions.

The signs and planets in the 8th house and the position of the 8th house ruler are used to determine Angelina's sexual needs and the characteristics of her sexual partners.

Since sexual activity can be an ingredient in both love affairs (5th house) and partnerships (7th house), you must decide which category your relationship belongs in and combine the relevant definitions. If the relationship is purely sexual, you can ignore the 5th and 7th houses.

8th House Cusp

Sexual rebel

Sexually surprising, outgoing and inventive you may intellectualise your desires in order not to be at the mercy of them. Often appearing a little bashful on first meeting you can find ingenious ways of getting your needs met and expressing them to others. While you may come across as endearingly sensitive, homely and even a bit of a traditionalist, when it comes to getting up close and personal with someone who makes your juices flow you can be something of a non-conformist, eager to experiment and to engage in different and even unusual sexual practices. You can be detached when it comes to sex.

Rebellious and impulsive you may express yourself and your needs in a contrary or unorthodox way, bordering on the perverse or peculiar and engaging in what some might consider sexual aberrations. You may perplex your partner by expressing your passions in an idiosyncratic and eccentric manner.

You have an intellectual curiosity about sexual matters, and your ideas may be nonconformist. You believe in maintaining individuality in this area and are not necessarily looking for emotional commitment from a sexual partner.

in 8th House

Sexual fantasist

An idealistic dreamer and even a bit of a fantasist, you can be very emotional and sensitive about sex. You have the gift for expressing your passion and desire in a subtle and imaginative ways, although you need to be crystal clear to avoid unclear and embarrassing situations. Somewhat elusive when it comes to your approach to sex or the details of your sex life, your secretiveness may give the impression there is something mysterious or taboo going on.

At times you seek escape from the humdrum of life through sexual excess, and therefore may have to wrestle with your deeper and darker desires, to get a hold on them rather than be at their mercy, as if enslaved, compulsively indulging in inordinate sexual activity. To melt and merge with another can be heaven but it can also lead you to the sewer, as you become increasingly entangled, and spellbound, dissipating your resources and the risk of being drawn to self-destructive and compulsive sexual behaviour.

You may look upon sex as a mystical experience, but you might have to learn that it is as blessed to receive in this area as it is to give. Suffering is not the only way to tap into the universe. Sharing of pleasure can produce the same results.

8th House Ruler ♃ in 5th House

The art of sexual pleasure

You're very passionate and intense where love and sex are concerned. You enjoy sex and lots of it and your attitude is one of fun and enjoyment and you're likely to be an energetic, enthusiastic and fertile lover. Your general level of confidence and self-esteem is closely tied to what's going on in your sex life; when it's swinging you've a spring in your step and when it's flat you're flat.

For you sex and romance go hand-in-hand (or rather, fist in glove) and your lovers are likely to have a profound effect on you. In fact your love life is likely to be at it's hottest during the periods of greatest transformation in your life. You enjoy good loving, it gives you a lot of personal satisfaction and you feel you can really express yourself through your intimate relationships.

While you are a passionate and resourceful lover you don't really want to hang around when things get too heavy or when you're no longer the centre of attention or the one who calls the shots. You want to have fun and to enjoy yourself. You probably take a great deal of pride in your conquests, performance and technique and may have so many romantic and sexual adventures and opportunities that it may be difficult for you to make a lasting commitment. Nevertheless, your lovers could prove helpful and supportive not only emotionally but financially too.

Romance is important in sexual matters and you want a sexual partner who will wine, dine and pamper you. There should be creativity here as well so that your experiences will maintain a novel quality. Or perhaps procreation is your goal.

♃ in 8th House

Emotional need for sex and intimacy

You have an emotional need for sex and a deep and intimate exchange with another. When someone catches your eye and stirs up your feelings, you don't like to waste time in getting up close and personal.

However, your desires, once stirred could leave you in the grip of your complexes and passions. You have the ability to tune into the sexual and emotional needs of others but your own needs seem to fluctuate and so you may prefer to be spontaneous and vary your sexual activity and venue rather than follow the same routine in the same place in the same position.

During periods of crisis and emotional upheaval you may seek solace through sex like some seek escape through drink and drugs. In time, as your experience of sex and intimacy leads you along the path to emotional maturity, your great sensitivity to the deeper needs of others will enable you to nurture and help others through periods of crisis and personal transformation.

Your mother may have been instrumental in the forming of your views on sexual matters although probably more on the subconscious than conscious level. Or it's possible that you may have a parent-child relationship with your sexual partner.

♃ in 8th House

Joy of sex

You have great faith in the power of love and intimacy to have a healing effect. Open and optimistic, you have a happy-go-lucky approach to sex and enjoy broadening your mind through a diversity of sexual activities, practises and techniques. Since you're an adventurer and explorer when it comes to sex, you need constant variety and novelty otherwise you're unlikely to hang around for long. Your excessive sexual appetite and high expectations of sex keep you with one eye in pursuit of pastures, and bedrooms, new. Because of this you may find it difficult resisting temptation and so may have numerous sexual relationships going on at the same time.

You've a desire to live your emotional life to the full and are drawn to those moments of great intimacy and pleasure in which you fuse with another and transcend all that separates us. Because of your optimistic approach to periods of major change, transformation and the harsher realities of life, you are often lucky when it comes to getting help and support from others, both financial and emotional. You may even develop a fascination for sexual rites and rituals.

You want sex to be an ever-broadening experience, and therefore you may have a number of different sexual partners to assure variety. If, however, you find an individual who also thinks of sex as exciting and innovative, one may be enough.

Allwin's ☽ △ Angelina's ☽ (00°39') ★★★★★

Emotional bond

Allwin and Angelina share a strong emotional bond. They feel comfortable, safe and secure in each other's company. They feel at home together and this can go a long way towards creating domestic harmony between them. With similar moods and approaches to life Allwin and Angelina are sensitive to each other's feelings.

It's almost as if they can understand each other's moods and thoughts without a word having to be spoken. They somehow seem to get the message and the little things right. Since they have so much in common, Allwin and Angelina's mutual understanding encourages agreement and adaptability and this aspect of their relationship can be one of the foundations stones of a long-term commitment.

Allwin's ♀ ⚡ Angelina's ♀ (01°34') ★★☆☆☆

Differences of opinion

Initially the mental chemistry between Allwin and Angelina may be more potent than the physical chemistry. However in time Allwin and Angelina may experience increasing difficulty agreeing on anything for long. The problem seems to be that Allwin and Angelina don't listen to each other and therefore their relationship is beset with communication problems.

While Allwin and Angelina find each other mentally stimulating, at least at first, as the differences of opinions emerge they inevitably lead to misunderstandings and serious differences of opinions. Allwin and Angelina may become critical of each other and each other's ideas, too much disagreement and criticism will undermine the relationship.

Obstinacy may be difficult to avoid since Allwin and Angelina are unlikely to see eye-to-eye and even agreement on the little things may be difficult to achieve. Since differences of interests will not engender mutual support, communication and companionship will suffer if Allwin and Angelina find that they don't have very much in common.

The fact that neither seems to appreciate the other's opinions or point of view may make it difficult to reach any agreement and mutual understanding necessary to sustain a long-term relationship.

Allwin's ♀ □ Angelina's ♀ (00°39') ★★★★★☆

Discordant

Regardless of whether they have what it takes to sustain a long-term relationship, Allwin and Angelina feel a strong and lasting attraction towards one another. However, over time minor discords between them are probable, although it is more likely to lead to minor differences of taste, temperament or social activities than to serious conflict.

Allwin and Angelina may have a tendency to do things to excess. The biggest difficulty they may have is that they both express love and affection differently, thereby leaving each other wanting more from the association than the other is able to give. Finances could also be a source of disagreement.

Allwin's ♀ ☐ Angelina's ♃ (03°18') ★★☆☆☆

Angelina frustrates Allwin, making him impatient angry and irritable. Angelina is often very critical of Allwin's ambitions and enterprises. Although Angelina may restrain some of the worst excesses of Allwin, he won't appreciate Angelina's interference. Unless they can develop considerable mutual understanding and respect, the relationship can become a discordant and disruptive experience as Allwin and Angelina struggle to impose their own agenda's on each other.

Allwin's ♃ ☐ Angelina's ♃ (05°58') ★★☆☆☆

In fact, if Allwin belittles the ideas and opinions of Angelina, she may even become depressed in his presence and this may limit Angelina's natural ability to communicate and express herself. Distrust

Since it wouldn't take much for Allwin and Angelina to distrust each other. Angelina may not like Allwin's materialistic view of life while Allwin may find Angelina too idealistic or irresponsible. Allwin may consider Angelina an impractical daydreamer.

Therefore disillusionment or depression could undermine the relationship, eventually bringing out the worst in both of them. If this were to happen then Angelina would become increasingly aloof, evasive and even deceitful while Allwin will in turn become increasingly restrictive.

Misunderstandings and deception will cause further suspicion and conflict. Financial matters may suffer from the worst side of this relationship.

Over time Allwin may grow to exert a powerful influence over Angelina's thoughts and perceptions, influencing her ideas and opinions on a very practical, day-to-day basis.

Allwin may also make Angelina privy to secret and potentially powerful information. Allwin and Angelina may share an interest in the occult and subterranean knowledge. Allwin's eagerness to get inside Angelina's head, to know what she is thinking may be driven by Allwin's insecurities and desire to control Angelina. If this is the case then this could be a difficult problem especially if Angelina starts to feel her motivations are being constantly scrutinised and analysed. This could be a source of much discomfort for Angelina who may feel she doesn't have her own space and any privacy. On another level, Allwin and Angelina probably do a lot of thinking and talking about sex.

Your partner may seem to dominate in even the simplest forms of communication, speaking powerfully and directing the course of conversation. If this seems overbearing, recognize that manipulation can be a two-way street.
