Hello Angelina,

Welcome to your Intimate Lover interpretation, please check that the birth details are correct.

This explicit and honest look at an individual's sensuality and their capacity to indulge their sexual fantasies is based on interpretations of the planets and the relationships they form within your horoscope.

The interpretation of the Sun's position signifies what making loves means to you. The Moon's position indicates the way you 'perform' each time you make love. Mercury tells us your thoughts and self-expression when making love. Venus determines what you value and need most in your lovemaking. Mars helps you understand the driving force of your sexuality. Jupiter indicates your capacity and desire for lovemaking. Saturn lets you know where you feel most awkward or inhibited. The other planets Uranus, Neptune and Pluto signify generational aspirations.

The interactions between the planets within your birth chart are called 'Aspects'. These are given a Star Rating from one to five to show their relative importance in your Intimate Lover Profile. To the right of each pair of 'aspect' symbols is a group of five stars ★☆☆☆☆; the more dark stars there are the stronger the connection. The keys to the planets, the other symbols and terms used are given at the back of the report.

Intimate Lover Interpretation

Your birth chart shows the exact positions of the planets at your time of birth. It also tells you the sign of the Zodiac that was rising at your time of birth, known as your 'ascendant', which indicates your style of lovemaking. How the planetary positions of your birth chart relate to each other are interpreted on the following pages outlining your potential sexual development. The interpretation begins with your overall sexual nature and temperament.

Angelina's sexual nature

Angelina's energy level

You approach your sex life in an active and dynamic way, able to take the initiative. You react outwardly (and often spontaneously) and believe in solving dilemmas through action. You may be inclined to have a hot temperament and it's not difficult for you to be either passionate or get upset - but you calm down just as easily.

Angelina's thoughtfulness

You may have difficulty in expressing yourself intellectually, not perceiving the broad view and lacking the necessary insight. Grasping the theoretical side of your sex life completely evades you; not having a detached viewpoint, you can take things rather too personally and get hurt fairly easily.

Angelina's sexual temperament

Angelina is fair and even handed

Your sense of inventiveness, passion, and sensitivity combine well to help you cope and understand the ever-changing demands of sexual experiences.

AS

Rising Sign

Angelina's love-making style

How others see you - the first impression you give.

AS in ♈

Physical

Playful and affectionate, open and honest with a strong physical sex drive that needs satisfying. Your sunny temperament may disguise the true nature of your feelings, as emotional commitment for you is determined by the overall impression you have of your lover - not just their lovemaking skills.

AS ♋ ☾ ★☆☆☆☆

Need to talk

You can misread signals and get it wrong because you're hesitant with misleading body language that can make your partner feel unsure too if you are unable to talk things through.

AS ♌ ♃ ★☆☆☆☆

Relentless

Completely ignoring conventional guidelines, you will go right over the top, have high expectations and desire more than is reasonable to hope for. But you should calm down as you get older!

AS ♍ ♃ ★☆☆☆☆

Determined

Endurance and staying power are your strengths, with commitment being all or nothing as far as you're concerned. So serious and intense, in fact, that you're sometimes seen as a parental figure.

The Sun

What making love means to Angelina

How you express yourself as an individual.

☉ in ♈

Satisfying

For you sex and love are happy natural events. Pleasure is the key word, with the emphasis on what satisfies you most - that's fun sex, tumbling and playful romps. You do not like to be tied down, preferring to run the show and be on top of the situation. You are warm-hearted and generous with your affections but can be boisterous and overbearing sometimes. Once attached you are very loyal, but sex and devotion do not necessarily go together. You love to be flattered and can easily be crushed by an insult.

12th house

Forces that are beyond your control; a higher power or ideal.

☉ in 12th House

Clandestine

You're a very private person who's difficult to get to know, secretive and with hidden depths that are sometimes unknown even to yourself. To you, lovemaking is an act of self-discovery, so sometimes unsafe or hazardous encounters ensue in your unending search to unravel the mystery that is you. You need a loyal and daring partner in order to flourish.

☉ ♀ ★★★★★

Brain teaser

You have a compelling inner drive and way of thinking that makes your feelings and motivations more easily understood. Sex is intellectual entertainment as well as a pleasurable experience for you.

☉ ♀ ★☆☆☆☆

Uninhibited

Your unrestrained enthusiasm can lead to over eagerness when trying to impress those you desire. You need to evaluate the overall situation more cautiously.

☉ ♀ ★★★★★☆

Determined

You like to plan ahead, are purposeful, sure of yourself, considerate in your attention to detail and can be relied upon once committed. Always dependable, you like a structured environment for love.

☉ ♀ ★★★★★☆

Domineering

You can be far too over-bearing; a control freak into sexual power games and with desires that are best acted out as sexual fantasy scenes in private - along with a compliant and accepting lover.

☾

The Moon

The way you 'perform' when you make love

Your immediate reactions; your emotional and compassionate nature.

☾ in ♉

Strong feelings

You have strong feelings and are an extremely sensitive lover. When it comes to making love you are supple and adaptable, wanting to please your lover to the fullest. For this abundant affection all you demand from your lover in return is honesty, because you can spot lies but may not let on just how easily you see them.

8th house

Relationships where you relate to others on a deeper, more emotional level.

☾ in 8th House

Mysterious

You are naturally drawn to emotionally intense relationships. When it comes to making love, you have a compulsive need to discover the limits of your desires and to delve into the mysteries of attraction in order to improve your lovemaking skills.

☾ ♀ ★★★★★☆

Uncertain

You can be confused about what it is you actually want. Dishonesty backfires when you're not up front about your desires and this often leads to a tangled web of deceit that could otherwise have been avoided.

☾ ✖♂ ★★☆☆☆

Full of life

You are energetic; full of life and vitality. When it comes to sex you can be a real go-getter. Easily aroused, you make love at a pace that has little thought for the consequences.

☾ ☐ ♃ ★☆☆☆☆

Adventurous

Your way out sex may be too much for your partner, but you're still likely to want to try anything once. Each new thrill you seek is not always guaranteed to satisfy though as it is often too hurried. You need to take more time, take pleasure in the moment!

☾ △ ♀ ★☆☆☆☆

Mind-blowing

When totally committed, you put your all into sex and the resulting ecstasy of orgasm is very much like a spiritual experience.

♃

Mercury

Angelina's thoughts and self expression when making love

Communication skills; how you think and receive information from others.

♃ in 69

Tease

You are a person who shares sexual secrets and inner desires only with a very special lover. You can tease and sexually arouse your lover by slowly exposing to them your innermost desires. You can be over serious, reading more into situations than really exist. You also like emotional privacy, and quiet.

♀ in 12th House

Thought provoking

Conveying your needs can sometimes be a problem, but body language can save the day. Privacy is of paramount importance to you and will not be given up easily. Your penetrating depths of understanding, and fearlessness of consequences, are how you learn and grow as a lover.

♀ ♋ ♀ ★★★★★

Silence is golden

Things can be a little awkward for you when it comes to verbally expressing your feelings, so it's best if they are not articulated but left unsaid. Allow your body to do the talking so that you can eliminate the difficulty of trying to bring together these two functions.

♀ ♌ ♋ ★☆☆☆☆

Limitless

You have a boundless imagination that is capable of positive and determined action. You're likely to be sensible about what's suitable to indulge in - but also open to all suggestions.

♀ ♌ ♋ ★★★★★☆☆

Pleasurable

You're willing and able to wait until you discover the right technique - the one that's likely to succeed - thus ensuring consistency in the bringing of pleasure on a regular basis.

♀ ♌ ♋ ★★☆☆☆☆

Fixation

Hooked on mind control, you can be fixated; this needs to be acknowledged and structured in order to accommodate a happy outcome. It is important for you and your partner to understand that these needs must be expressed at all cost.

♀

Venus

What you value and need most

How you express your emotions within personal relationships.

♀ in ♎

Gratification

You are potentially an ideal fetishist, who revels in every detail of sex - the more elaborate the scene, the greater the satisfaction. Everything needs to be just right for your gratification, though one false move can spoil it. You should specify exactly what you need to your lover in advance.

2nd house

What you value most.

♀ in 2nd House

Pleasure seeker

You appreciate all that's earthy and physical and may enjoy sex shop playthings. What's in store for the evening's entertainment is something you'd far sooner know in advance though, because you don't like being caught by surprise. Where you're concerned, it's up to your partner to supply the most luxurious lovemaking location possible.

♀ △ ♂ ★★★★★

Easygoing

You know what you want and generally get it. Opportunity and desire go hand in hand as far as you're concerned and your sexuality finds a variety of expression easily.

♀ □ ♃ ★★☆☆☆

Unconventional

Your far-out needs are hard to satisfy and even when they're fulfilled they don't live up to your expectations. You're a prisoner of sex - with bars and locks of own making.

♂

Mars

The driving force of Angelina's sexuality

Your sex drive, stamina and the way you assert yourself and express your desires.

♂ in ♃

Determination

You are careful and very determined in the way you express your needs for making love. When you have had enough experience you can be a great lover. Sexual education for you is important so as to expand the variety of your sexual techniques. You should obtain some early experience before the mould of your sexuality is cast as you are likely to erect certain boundaries early on that you could be stuck with forever.

6th house

The interaction of your mind and body.

♂ in 6th House

Kinky

Good performer with an extensive range of lovemaking skills and techniques but may become exhausting with their execution. Can be a fantastic lover, if expectations known in advance, into unusual scenes when prepared, but may not be so open, if no advanced warning given.

Jupiter

Angelina's capacity and desire for love-making

Your sense of fun, optimism and generosity and what you believe in most.

Affectionate

You are capable of giving your all to those who show affection. You appreciate what is delicate and lovers with finesse. Being sensitive, you are not impressed by outward showiness, for you the soft, quiet word opens the way to the ecstasy of new experience, and the softest touch is enough.

Passion

Sex illuminates the soul spreading happiness and pleasure; the deeper you're able to penetrate and explore, the more enjoyable it becomes. Newfound vigour enlivens usual performance to unbridled heights.

Step too far

It's unwise to push things beyond their breaking point. Unexpected surprises make your lover fearful, to such an extent in fact, that they're likely to depart - quite contrary to your intentions!

Saturn

Awkwardness or inhibitions

Your sense of responsibility and lessons you have to learn.

Disillusionment

The search for meaning, whether this is sought through travel or wholly within yourself, will at some point lead you to experience disillusionment with love, resulting in either a indecision based on fear and a sense of futility, or a search for deeper and more enduring values.

4th house

Deep inner feelings and habits.

Insecure

You expect a lot from intimate relationships in order to feel secure and need a long lasting, loving partner to satisfy your deepest (and often ignored) desires. Even though you don't really mean it, being thoughtlessly overcritical is an occasional fault. Your childhood fantasies bring out your best - why not let them loose and see what you're missing?

♃ ♋ ♃ ★★★★★☆

Much-loved

Vivid imagination never fails to stimulate sex drive, repeating finely tuned fantasies preferred, exquisitely stimulating the mind, arousing the body.

♃ ♋ ♀ ★★☆☆☆

Instinctive

Complete surrender, under pulsating passion is an act of faith that regenerates and fortifies after total self-destruction.

♅

Uranus

Inventiveness and spontaneity

Your imagination, initiative and ingenuity.

♅ in ♈

Sought after

Exciting new vistas are what turn you on, you aspire to an honest and adventurous, energetic style of lovemaking. This romantic view of love is admirable but can be difficult to achieve.

5th house

Where you express yourself freely and without inhibition.

♅ in 5th House

Erotic game

You experiment with your sexuality, separating sex from emotional involvement. The relationship can become an ever-changing series of games, each one more fantastic and pleasurable than the one before. Invention is the essence of the game - with unpredictability the nature of the outcome.

♅ ♋ ♀ ★★★★★☆

Insight

You might have to work extremely hard at achieving what you desire, sometimes without reward - but keep at it for a surprising end result!

♆

Neptune

Dreams, fantasies and imagination

Reveals your inner ideals, expectations and creativity.

♆ in ♋

Uncertainty

You are unsure of where your relationship will lead and may have a preconceived idea that loss and disappointment are the likely natural outcome. This is not necessarily true; love develops and builds through your shared experiences of happiness and disappointment (from which you both learn), and consequently your love becomes stronger.

♃ in 5th House

Frivolous

Your high expectations of free love, a fun time being had by all with not a care in the world are often unfulfilled because you tend to become too seriously wrapped up with the lovemaking outcome. A little more fun is all that's required. Enjoy the whole play and not just the final act!

♃ ✖ ♀ ★★☆☆☆

Certainty

An unrelenting inner energy stimulates fantasy from one phase to the next. Satisfaction is not in the act itself, but in powerful belief.

♃

♃

Unconscious depths and intensity

What motivates you.

♃ in ♎

All or nothing

You are part of a generation that has an intense attitude towards love and sex and which generally treats its relationships as an all-or-nothing proposition.

♃ in 4th House

Strut your stuff

Security and the privacy of your home (and bedroom) is a dominant need. Here you can strut your stuff - insisting on staying put. However, this may eventually be seen as rather uninspiring to your partner, so you would be well advised to broaden your horizons and opt for a new sex venue now and again.

MC

The Midheaven

Preconceived ideas about Angelina's sexuality

What you can achieve.

MC in ♈

Hot!

Ranked as a hot one, you have a reputation for hasty seduction and can sweep your lovers off their feet with a passionate, hurried embrace. It may be that your reputation is not really deserved but all the same, you have a lot to live up to!
